2. All new state record fish must be weighed on a scale used commercially and subject to certification by the North Dakota Public Service Commission.
 - a. All weights must be rounded to the nearest ounce.
3. The fish must be visually verified by an employee of the North Dakota Game and Fish Department.
4. Angler must thoroughly complete and submit to the Department a whopper card application or a hand-written or typed note with all similar information.
5. A recognizable photo of the fish must be furnished to the Department.
6. A fin sample may be required/collected for some species for genetic analysis.

WHOPPER CLUB REQUIREMENTS

Only species listed and meeting minimum weight requirements will qualify for patch and certificate.

All fish entered must have been harvested

by legal methods as described in the North Dakota fishing guide and come from North Dakota waters open to public fishing.

Entries must be weighed on scale used in trade.

An application card must be filled out, giving weight and length of fish, date and where caught, signature of applicant, and signature of person weighing the fish. Only one application may be made for each species in a lifetime. You receive a patch for the first whopper of a species, and Expert patch for a whopper of another species, and a Master patch for a whopper of the third species. After that only certificates will be awarded for whoppers of additional species.

CATCH & RELEASE CLUB REQUIREMENTS

Nineteen species of fish qualify for Catch and Release Club. Entries must meet minimum length requirements and be released unharmed back to the water. Another fisherman must witness and verify the measurement and release.

A maximum of five entries per year per species will be recognized. Anglers will receive an official membership certificate and a choice of jacket patch or boat decal.
